

# CENTRAL VALLEY YOUTH FOOTBALL AND CHEER

## SPONSORSHIP PROGRAM

The Clovis Rebels program offers tackle football and cheer to young athletes' ages 6-12 through safety and proper technique. Our teams are coached by outstanding and experienced individuals that volunteer their time to teach these young athletes the proper game of football and cheer. As a 501(3) (c) nonprofit, we will only thrive with the individual, business or groups support to provide an exceptional program to these young kids. We want this football experience to be memorable, not just for the players, but for the families and communities well.
